Attractive events like games / competitions for Anns & Annets were conducted and winners bagged nice gifts.

various of his experiences in his professional career and Rotary. Service life. He added that he will serve his best for the agricultural development in Andhra Pradesh.

Rtn.Tulasi Ram bagged Luck Dip prize money of around Rs.800/- which will be spent on Rotary activities in his name. It has been a good initiative by our president Rtn.V.C.

Pot Luck Dinner Meeting

“...There is so much pleasure in Rotary activities. The breakfast, luncheon, or dinner every week brings you in contact with your fellow members. Their diverse interests and knowledge stimulate your interest in your community... The planning for service projects both close by or across some distant horizon carries us out of our own self-interest into the wonderful world of service to others... [and the] pleasing paradox... that we grow in stature when we give of our time and talent to improve the quality of life for someone else. How strange that when we give dignity to someone else, we grow in dignity ourselves...”

— *Enjoy Rotary!*,
THE ROTARIAN,
July 1989

There is no business voted on or discussed during this meeting. Instead, this meeting is designed as a fun way for members and new members to come in and get to know each other better.

Next Potluck at Rtn.Niranjan Rao's residence at Gajuwaka.

Members and guests are encouraged to bring food to the meeting, and come with an appetite! (You are not required to bring food in order to come and join us!!!)

Rotary Fellowships are autonomous, international groups of Rotarians, Rotarian spouses, and Rotaractors who join together to:

- Share a common interest in worthwhile recreational activities (sports, hobbies, etc.)
- Further their vocational development through acquaintance with others of the same profession
- Make new friends around the world
- Explore new opportunities for service
- Have fun and enhance their Rotary experience.

Rotary Homoeo Clinics

Rotary Free Homoeo Clinics are being successfully operated at Rotary Homoeo Clinic, Autonagar & Gajuwaka since 1991.

Currently, the clinic is being held at Gajuwaka.

Thanks to Rtn.Sanjay Agarwal for sponsoring medicines quite for a long time.

More than 50 patients are being treated on a bi-weekly basis.

Fruit Distribution Programme

“Giving is living. What is important is how much of yourself you put into the giving. That is what makes the living sublime.”

Fruit Distribution programme had a very good start and is rolling on with continuous sponsorships. Its really interesting to know that non-members are coming forward to sponsor. Mr. Mallidi Srinivasa Reddy will be sponsoring Fruit Distribution on 04th Aug 2011. The following are the locations:

- 1) Chettivanipalem, 2) Appanna Colony,
- 3) Akkireddypalem, 4) Driver's Colony.

Regret that Fruit Distribution programme put off for want of sponsors. Sponsors for forthcoming weeks are solicited from our beloved members & friends as this is an opportunity to feel the ecstasy in the poor school childrens eyes when they receive from our hand.

Blood Bank Project

Donations for our prestigious Blood Bank Project are solicited from all sections of the society. Anticipations alone doesn't realize our dream plans into reality. Hence, meticulous planning & rigorous hard work would see our Club on the geographical map of Blood Banks in Visakhapatnam.

As of now, necessary government permissions are underway, meanwhile, let's strive hard together to reach our goal — FULL FLEDGED BLOOD BANK in Autonagar.

About Rotary

Rotary International is governed by a board of directors composed of the international president, the president-elect, the general secretary, and 17 zone directors. The nomination and the election of each president is handled in the one-to-three year period before he takes office, and is based on requirements including geographical balance among Rotary zones and previous service as a district governor and board member. The international board meets quarterly to establish policies and make recommendations to the overall governing bodies, the RI Convention and the RI Council on Legislation.

The chief operating officer of RI is the general secretary, who heads a staff of about 600 people working at the international headquarters in Evanston and in seven international offices around the world.
