## Speaker Meet / Cocktail Dinner Treat

Much awaited Speaker meet with Cocktail Dinner programme was infact a very grand success on 05th Aug 2011. The programmed kick off at 7.30pm at Sardar Nest enroute to Vizag Steel Plant off Kanithi Road.

Our president Rtn.V.C.

acted as DJ for the evening inspite of his illness the previous night. His fabulous speech & dialogues enthralled the gathering.

He shared about Cyber crime that came to light in his petroleum outlet just the day before. He further added that all those engaged in Business must be vigilant on

all occasions to prevent such crimes. Eventhough speaker meet could not be organized, President along with some members spoke on various subjects and shared their childhood experiences while others were busy unwinding with Cocktails with delicious snacks.

Rtn.Satyanarayana Reddy shared lighter moments which amused everybody to the sky limits.

Rtn. Jagadeeswara Rao & Rtn.Adinarayana Reddy spoke about Bangkok Bonanza . Rtn.Niranjan Rao,

New Independent Director-NFL shared how he got that post and further shared his personal life experiences since childhood.

# Rotary Homoeo Clinics

Rotary Free Homoeo Clinics are being successfully operated at Rotary Homoeo Clinic, Autonagar & Gajuwaka since 1991.

Currently, the clinic is being held at Gajuwaka.

Thanks to Rtn.Sanjay Agarwal for sponsoring medicines quite for a long time.

More than 50 patients are being treated on a bi-weekly basis.

The great art of giving consists in this: the gift should cost very little and yet be greatly coveted, so that it may be the more highly appreciated.

You must give some time to your fellow men. Even if it's a little thing, do something for others - something for which you get no pay but the privilege of doing it.

## Fruit Distribution Programme

Fruit Distribution programme is sponsored by non-member Mr. Mallidi Srinivasa Reddy on 05th Aug 2011. Heartful thanks goes to him for his kind gesture to come forward to take care of the poor children at schools. The following are the locations:

- 1) Chettivanipalem, 2) Appanna Colony,
- 3) Akkireddypalem, 4) Driver's Colony.

Sponsors for forthcoming weeks are solicited from our beloved members & friends to keep this tradition of Fruit Distribution alive.

## Blood Bank Project

Donations for our prestigious Blood Bank Project are solicited from all sections of the society. Anticipations alone doesn't realize our dream plans into reality. Hence, meticulous planning & rigorous hard work would see our Club on the geographical map of Blood Banks in Visakhapatnam.

As of now, necessary government permissions are underway, meanwhile, let's strive hard together to reach our goal — FULL FLEDGED BLOOD BANK in Autonagar.

## About Rotary

To keep clubs strong, every Rotarian must share the responsibility of bringing new people into Rotary. Even new members can bring guests to club meetings or invite them to participate in a service project.

Keeping members involved in Rotary is another responsibility. Fostering strong fellowship and encouraging early participation in service projects are two of the best ways to sustain a club's membership.

### MEMBERSHIP:

According to its constitutions ("Charters"), Rotary defines itself as a non-partisan, non-sectarian and secular organization. It is open to business and professional leaders of all ages ( 18 and upwards ) and economic status.

One can contact a Rotary club to inquire about membership but can join a rotary club only if invited; there is no provision to join without an invitation as each prospective Rotarian requires a sponsor who is an existing Rotarian. Some clubs, though not all, have exclusivist membership criteria: reputation and business or professional leadership may be a specific evaluation criterion for issuing invitations to join, and representation from a specific profession or business may be limited to a percentage of a specific club's membership.

- 1 ) Active Membership, 2 ) Honorary Membership, 3 ) Female Membership,
- 4 ) Minority Membership
